“ We are so sorry for your loss. Miss Anne was truly a special lady and one we were blessed to have known for so many years. We will always remember her kindness, wit and ability to "call 'em as she saw 'em." Although we know she hadn't felt well in years, we're glad she was able to be close to those who held her heart -- her son, daughter-in-law, grand children and great grandchildren. And we should all be so fortunate as to have the long, happy marriage she and Herbert enjoyed -- how wonderful that two terrific, sweet and kind people met and fell in love at such an early age. It made us smile that Miss Anne enjoyed our Christmas newsletters so much that she saved them all! She will be greatly missed. Sending much love and condolences for your loss -- heaven has welcomed a new angel. Love you all. Vicky and Jeff
