“ Murphy, I am sorry for the loss of you're only brother. I remember hunting with Person a few times. Once, while we were walking together into a field for a dove shoot, a covey of quail exploded in front of us. Before i could even react, Pearson fired two shots in a split second and dropped two birds. I learned then that he was one hell of a good shooter. I remember all the high school football and basketball games we shared because you were nice enough to include me, before I had my own car. I remember going to an Atlanta Falcons game with you, Pearson and your grandfather. That is a special memory for me. Thank you for including me during the White oak Camp meetings every year. Those are all special memories for me. We grow apart through the years and tend to forget the past, but I want you to know, you made my life much better, I want you to know that. I hope you are well and happy and enjoying the car with the automatic transmission you so desperately wanted in your teen years. It is unfortunate that it takes a death to make you realize what you've missed. Take care. email me if you like. ronaldbuskirk@gmail.com.

“ Dear Jackie, Rusty, Tony, Becky and the entire family, we grieve with you for the passing of Pearson. He was and still is my friend. He is the one who named me "Big Heart", ha! you can read about it in my book. And, I'll bet you couldn't haul all the rabbits we've killed in a 18 wheeler trailer. He was a great person to be around and had an infectious personality that just grew on you. I first met him when he stopped by my house one night and said he was looking for a missing coon dog. We became friends right off the bat. How wonderful are the years that we have enjoyed together, even after we moved away. The miles and and years didn't make a difference in our friendship. Even when he went down to Moody AFB with his job, I went down and spent a couple of days with him and his wife. He took me to the Great Hahira Pick-In. We had a ton of fun. Yea, I really enjoyed Pearson Hannah, my friend. When we heard of his passing, Janice and I cried for two hours, just remembering his great life and great friendship. He is at home with the Lord now. His faith was in the resurrected Savior, in whom he placed his faith. Rest well my dear Brother. You will be missed. God bless and comfort you all in this time in your lives. Jim & Janice Hethcox

“ Mr. Pearson Hannah was one of the sweetest men I knew. I loved to see him sitting there in church and when I would go and say hello, I would say he was looking good. Of course he would come back saying "well you look good on both sides"!! Then he would offer you a piece of candy. I will see you later my good friend.
