“ Dear Family of Kathleen,

Please know we are saddened. We were neighbors and had some good times together. She was a very supportive neighbor and friend. Kathleen will be missed.

Our love to all of you.

May Kathleen rest in peace.

Ann and Greg Sutherland  
Dearing, GA

“ I knew Kathleen through various friends, but we hit it off -- two crazy ladies, I guess! It seemed as if I'd always run into her in Walmart, especially the garden section. We'd share a hug and pick up as if months hadn't passed since we had last talked -- laughing and being loud. Kathleen always updated me about her dogs and their latest escapades. She was a talented chef and a dear person. Walmart will not be the same.

“ When I started at Augusta Tech... I entered Culinary Arts program. Kathleen Fervan was so welcoming. so student driven ,and Patrick was at her side and was a great assistant to her .I was taught to Julianne everything.From soups to baking breads from scratch .. Fervy as I would call her was so Awesome .. one day in 2012 I thought .. My culinary teacher" Fervy" as I called her broke down all pieces of of cooking ... Would she not be a badass and why not nominate her for "Teacher of the year" I told her the day I nominated her that I put her name in the pot and as I told others .. they agreed she would make hell of a teacher of the year.. I know she catered my sister's wedding and .. was so thankful.. I knew what her weekends consisted of when of.Fervy, would say how she and pat would cook steaks on the grill ,fish in her lake and take her horses out... I was who read her school biz emails to notify her and chef walker of school activities were scheduled and what and whom she needed to contact. To she who taught me to make hollandaise sauce. To the chef who believed in my classmates and I to enter the art of chocolate .. Fervy you will be so missed !! My Mentor Kathleen Fervan .. May you dwell amidst Pat Now .. For all angels in heaven ..May they eat well now.. since you joined them .. your with Pat now .. sleep with the angels Fervy .. you always a paradox chef ..R.i.p Tavayia Peace-Cole ..
