Norma Joan Schweitzer

Norma Joan "Jo" Schweitzer, 89, a resident of Monticello, Florida, was the daughter of Roy and Fayette Mae Nelson. She believed in Jesus Christ and was a dedicated member of her church family. On August 16, 2020 surrounded by family, Norma transitioned to Heaven peacefully.

In 1951, she married Walter Baucom and had five children. Walter passed in 1968. Norma wed Grady Schweitzer in 1972. Together, they shared eight children. Grady passed in 2001.

Jo was a beloved sister, wife, mother, grandmother, aunt, friend, and lifelong Christian. She enjoyed television, puzzles, coffee, traveling, shopping, collecting angels and crosses, attending church and ice cream.

She was preceded in death by her parents, both husbands, three siblings, one step-son, one brother-in-law, one sister-in-law, two son-in-laws, two nephews, one great-niece and two great-great grandsons.

She is survived by her five children Shari Nelson, Anita Cauffield, Debora Cochran, Peggy McBride, and Jeffrey Baucom (Anita), two step-children (Kimber and Douglas Schweitzer), seventeen grandchildren, nine great-grandchildren, eleven great-great grandchildren, three siblings, and numerous nieces and nephews. Her family extension is a testament to Genesis 28:14 "Your descendants will also be like the dust of the earth, and you will spread out to the west and to the east and to the north and to the south; and in you and in your descendants shall all the families of the earth be blessed."

“ Granny I wish I got to know you better. I always remember when you and Papa would come to visit. We always had a lot of fun and I remember your laugh and smile. Give my Daddy, Papa, and Judy a great big hug and kiss for me.

“ In 1995 I came into the family, im married to her grandson, jeffery. I want to start off when I first met grandma, the only word comes to mind is gracefull. By my years knowing her she was never much known for talking about her...always her family, all her children, grandchildren etc. And her love for God. I remember her saying one day to me...I was raised in a catholic church and she respected that. We had discussions, and one particular time she said that her God was off the cross. I couldn't understand, I was puzzled. Up until last year, and attending a Baptist church her in sardis where I live. God came to me and since then. I finally knew in my heart what grandma was finally talking about! She was a follower of christ and I know she is shining in heaven, and she is with the angels singing and dancing with them. I love you and always remember your smile!! My prayers are with all of her family. Thankyou all of you for your love when I came into your family. And my prayers for your peace are with each one of yall. Michelle Edgar
